Benefit Is Held By Teen Council

The River Bend Estates Teen Council sponsored the first Teen Night following the recreation center's remodeling April 27, 1973. The event was a benefit for Pam Snell, a local teen who had been injured in a recent motorcycle accident. At the end of the evening, the RBE teens were able to donate \$120 to the Snell family to help with medical expenses. Approximately 75 teens participated in the evening's activities, and were chaperoned by Mr. and Mrs. Wayne Rohrbacher, Mr. and Mrs. Larry Clark, and Mrs. Hal Richards.

The RBE teens also held a Teen Night May 4, for the opportunity of using the new indoor recreation equipment in the recreation hall, such as cards, games, stereo, and ping pong. Chaperones for this event were Mr. and Mrs. Larry Clark, Mr. and Mrs. Clifford Schneider, Mrs. Charles Harris, and Mr. and Mrs. Hal Richards.

The Teen Nights have been very successful in recent weeks and are beneficial for the teen's social life. If enough chaperones are available, Teen Night could be held every Friday. If interested in helping the teens, please leave your name at the recreation center office.

The telephone number of the pay phone at the River Bend Estates recreation center is 265-8863.

Mrs. Richardson Named Judge In Cavalier Court

Every Thursday night (beginning at 8:00 p. m.) at the Cavalier Police Station, Mary Alice Richardson (Mrs. Wayne) holds court as the Municipal Judge for the city of Cavalier. She was appointed by Mayor Olson and the City Council to fill the unexpired term of Mr. Almon Walper. Most of the cases presented to Judge Richardson pertain to city ordinances.

Judge Richardson worked as a law clerk while attending Mary Washington University, Fredericksburg, Virginia, from which she graduated with a B. A. in History in 1963, and of the University of Maryland, where she received her LL.B. in 1966. She passed the Bar Exam in Maryland and practiced law there.

Her husband, Wayne, was transferred by I. B. M. from Succasunna, N. J., to Cavalier and they and their two children, Edward, 5, and Heather, 3, came to live in River Bend Estates in early December. She is very pleased by her appointment because of the opportunity it presents for working for the people of Cavalier who she thinks to be the friendliest she has ever met.

MSR Team Winner Of Manager's Golf Tourney Held May 6 and 7

By Fred Burchett

The first SAFEGUARD Site Manager's tournament was held at Cavalier Country Club on May 6 & 7, 1973. This tournament pitted the employees at PAR against the employees at MSR. When all the scores were counted, the MSR team was declared the winner by 12 strokes, 1776 to 1788. Steve McDonald, Manager, Site Activation, presented the Manager's Cup to Jim Dancy, MSR Site Manager. The MSR was led by Jack Cudd and Fred Burchett with 73 and 78 respectively, while the PAR was led by Fred Donati and Jim Hoadley with 79's.

Winning closest to the pin contests were: Bud Kirk—MSR; Cal Young—MSR; Jim Hoadley—PAR, and Jack Cudd—MSR. Driving contest winners were: Ben Marett—PAR and Jack Cudd—MSR. The low gross was won by Jack Cudd with a 73 and the low net

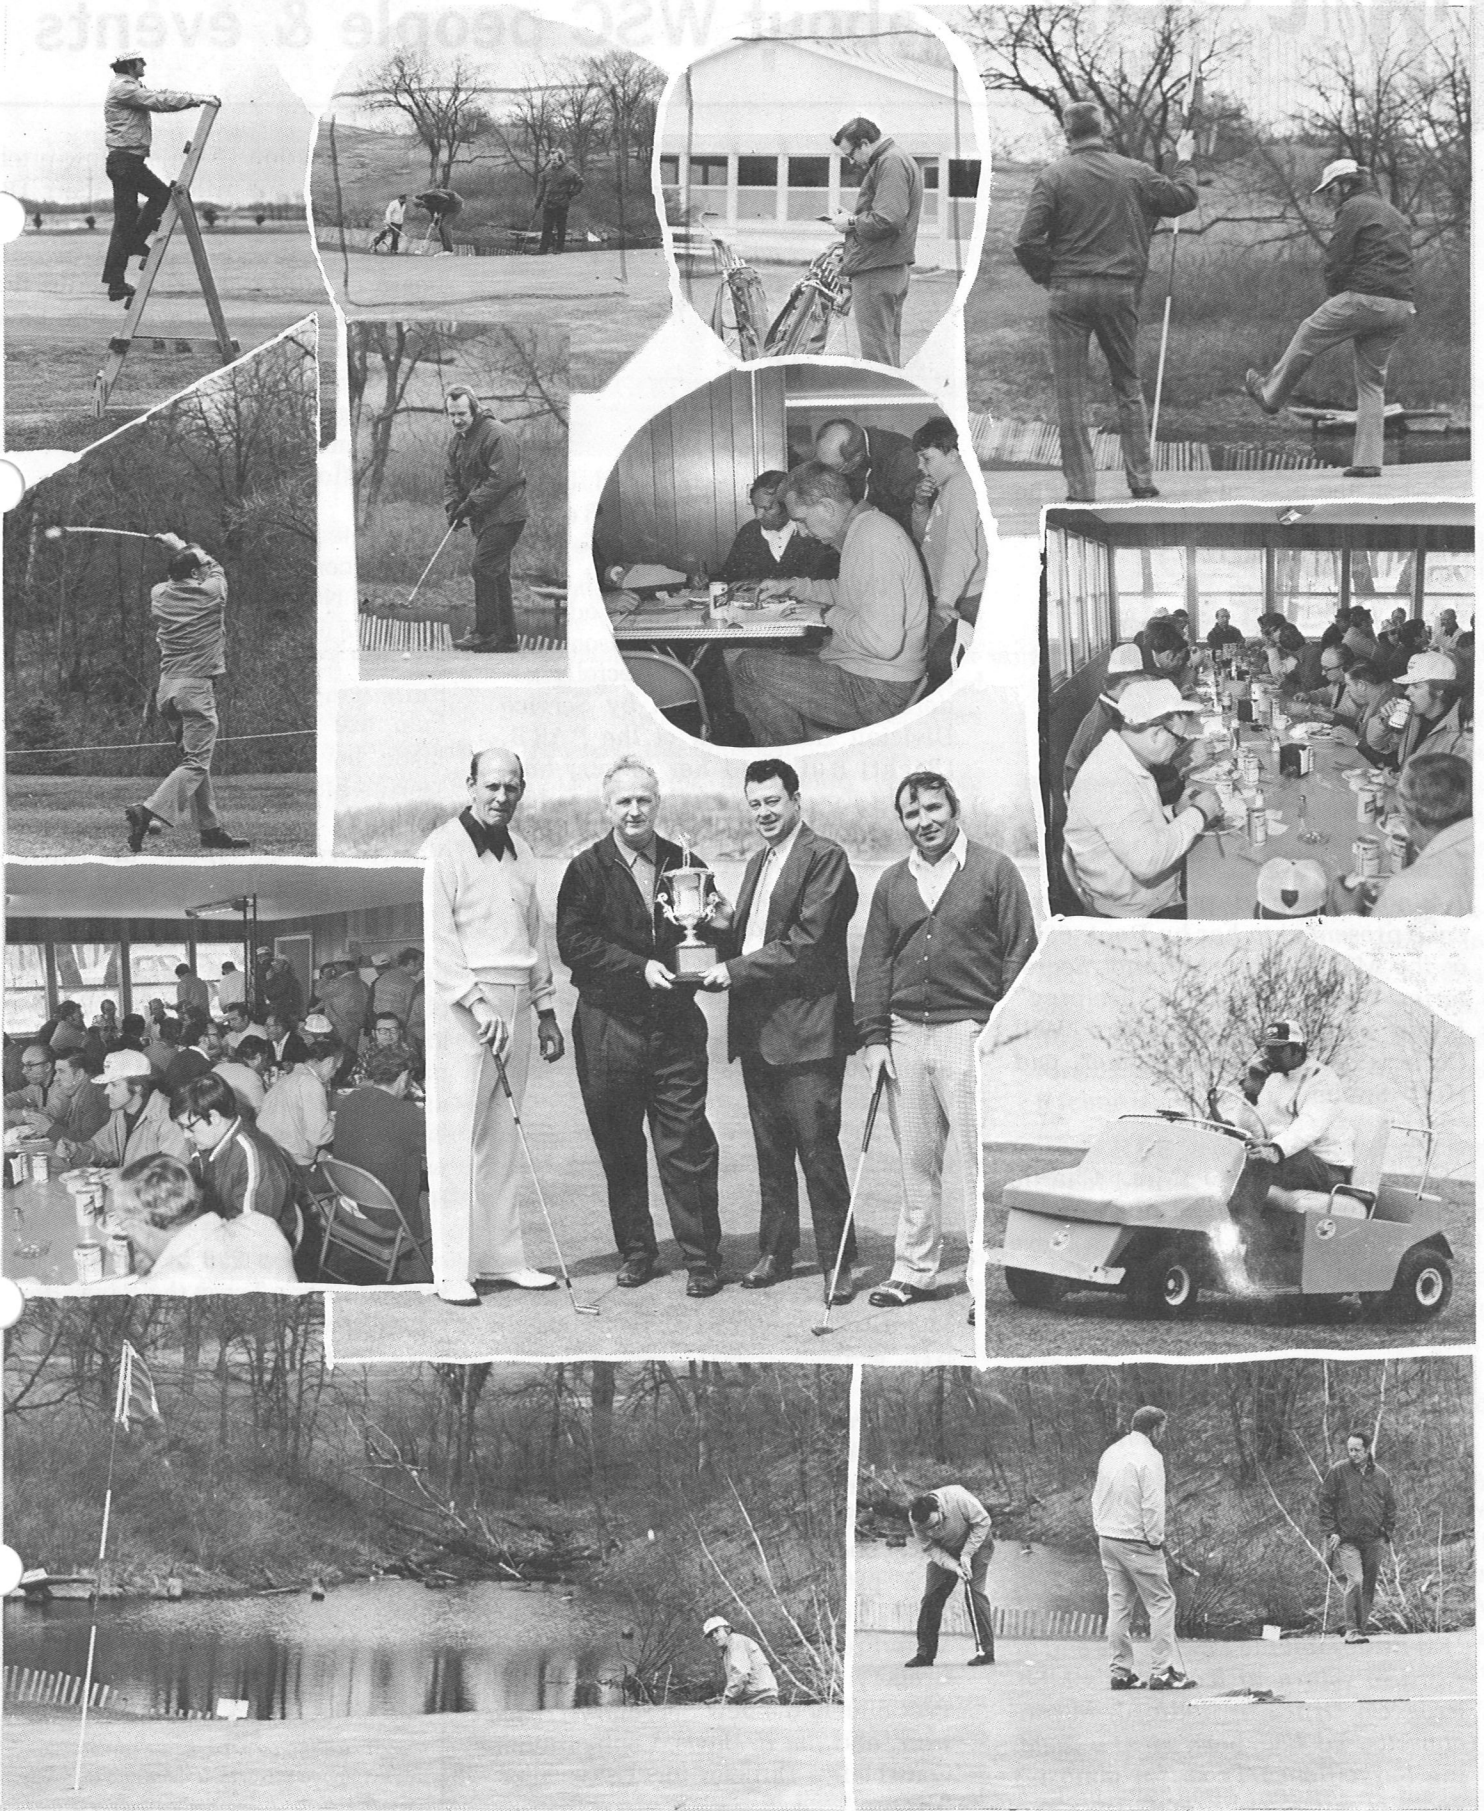

was shared by Bill Burney and Tony Perez with 67's.

Highlights of the tournament included a mulligan hole-in-one by Don Forester on hole No. 9. After knocking his first shot in the water, he teed up his next shot and holed it out for a par three. Bill Clark was in contention Saturday until he put four shots in the water on hole No. 9 and then sunk a 10 foot putt for a 12. However, George Delli Santi surpassed Clark's record as he put seven shots in the water on hole No. 9 and then later holed out for a total of 17 on the hole. He finished with a solid 142.

The next tournament will be held in June so don't be surprised to see all the golfers (duffers) at PAR on the course practicing every afternoon. The golfers at MSR will be sitting around admiring the trophy saying "They just can't win."

The secretaries from the 63700 organization wish to express our thanks to Mr. McDonald for the lovely plants received in honor of National Secretaries Week, April 22, 1973, through April 28, 1973.
