## Overview

Active   Listed Sep 3, 2025   Updated 5 days ago

Step into a piece of American history with this once-in-a-lifetime opportunity to own a fully decommissioned Cold War-era missile base, reimagined for modern living, business, or secure shelter. Tucked away in a secluded, strategically chosen location, this unique property boasts over 12,000 square feet of underground space, offering unmatched privacy, protection, and potential.
